## Annual Report – 2017-18

Honourable president of the 60<sup>th</sup> Annual Day programme *Very Rev. Fr Alfred J. Pinto*, Correspondent, distinguished Chief Guest Mr Jeevan Saldanha, CEO, Spectrum Industries, Mangaluru, *Rev. Dr Antony Prakash Monteiro*, Campus Director, Mr Lawrence Lobo, President, PTA, *Mr Jairaj Bhandary*, President, Alumni Association, Reverend Fathers, Reverend Sisters, Members of the Managing Committee, Guests, Invitees, Members of the staff, and my dear students.

ಅನ್ನದಾನಾತ್ ಪಂದಾನಂ,ವಿದ್ಯಾದಾನ ಮತಃ ಪರಮ್ so says a subhashitha. Education is a greater gift even though feeding a needy person is a gift. The satisfaction derived from the gift of education is intense and durable. Education enables an individual to transcend his individuality in conscious social participation. It also equips one with rational and scientific attitude. Hence education alone is the panacea for all social evils.

This line of thinking appears to have sunk well with Msgr Antony Patrao some six decades ago when he arrived in Puttur to do the divine bidding. With the mandatory responsibility of catering to the religious needs, he shouldered an additional responsibility of creating spaces for education. Eventually St Philomena College came into existence in 1958. Since then the College has been charged with educating the students to recognize unity in diversity, a distinctive feature of our Motherland and impart a humanistic attitude and the spirit of service.

The ideals enshrined in the motive of the establishment of the College have been held in high esteem and efforts are not spared to put them into practice. As years rolled by, the College from its infancy rose to the stage of maturity with expansion, diversification, consolidation and achievement.

The jealously guarded discipline and performance carried the Institution to newer trajectories of performance and recognition. With an illustrious track record we are in the Diamond Jubilee year (2017-18). This academic year assumes special significance from that perspective. This entire academic year the campus remained abuzz with a variety of activities, where the vivacious students enriched themselves by acquiring knowledge and skills.

I deem it a rare privilege to place before all the stakeholders an abridged report of the campus life for the year 2017-18.

## Conclusion

Dignitaries and well wishers,

I have unraveled the abridged screen of our educational exploits in the year gone by. Necessarily it is not exhaustive. The comprehensive tapestry is verily variegated. The record of our achievements is a sight to behold and a matter of contentment. Being in the Diamond Jubilee year with an unblemished slate of attainments is really overwhelming. The year reminds us the noble intention of the Founders, the scarifies of the well meaning people around us, the enthusiasm of the student community and the responsibility that we are to shoulder. The Diamond Jubilee is an occasion to reflect, reorient and recharge ourselves to the cause of education and the needs of the society.

With the blessings of the Almighty, care and concern of the Management and affectionate support of the society we will go the distance.

I wish all of you rewarding moments. Have a great day.

Thank You.

Jai Hind.
