

ST. PHILOMENA COLLEGE

PHILONAGAR, DARBE, PUTTUR, D. K.

Annual Report

2010-11

Respected President of the 52nd Annual Day Programme, Very Rev. Fr. Gerald D'Souza, the Correspondent of the College, revered Chief Guest Rev. Fr. Fred Mascarenhas, the Former Principal of this prestigious Institution of ours and Principal of Milagress College, Kallianpur, dear office bearers of PTA and Alumni, esteemed members of the staff, dear guests and well wishers and my dear students.

As I stand before you, I recall a prayer from Gurbani translated by Col. Anbil Shorey of Punjab Regiment -

"Grant me, my Lord, the boon that I may not falter in doing good, nor do I have fear in my heart when I fight in the battlefield. May I always have pure thoughts in my mind and never be tempted by greed..." The intent of the prayer is that more important to me as the responsibility of manoeuvring this great Institution has been assigned to me following the retirement on Superannuation of Rev. Fr. F. X. Gomes on 31-10-2010. I have a daunting task on hand as the rich legacy has to be carried forward. With the co-operation of all the well meaning people around me I am confident that I will do which is expected of me.

Since its establishment way back in 1958 by the visionary Msgr. Antony Patrao, the College has shown an integrated growth excelled in academic, cultural and sports fields and has become a centre for higher learning with potential for excellence. With a string of successes and colourful canvas of

achievement the college has proved the raison d'tre of its existence. Considering the learning resources, student support, infrastructure and management - all of top order, the NAAC reaccredited our college with the coveted 'A' Grade. That has doubled our responsibility. We have to relive the golden age of the past in the future too - we have not rested on the past laurels. We have chartered a course to make quality our trade mark, our culture.

With immense pleasure, I place before you a brief account of our activities for the year 2010-11.

STUDENTS :

The College, since its inception, has witnessed an exponential growth in student enrolment thanks to the faith reposed in us by the society. The trust is the result of quality benchmarks, good discipline and methodical functioning of the College. In the reporting year the number of students enrolled is 1402 of which 860 are girls and 542 are boys.

COURSES OFFERED :

We offer under graduate programmes in Arts, Commerce, Science, Computer Science, Management Science and Social Work. We also offer a post graduate programme in social work. We have a plan of offering post graduate programmes in Commerce, Computer Science and Science in the coming years in a phased manner.

RESULTS :

The College has the urge to reach the destination, our goal is success and not the process; our students have the desire to succeed. The positive approach and the knowledge that action is the fundamental key to success have culminated in the College recording an excellent pass percentage in the University Examinations.

The results of the College in terms of pass percentage are :

III B.A.	-	64.44 %
III B.Sc.	-	76.39 %
III B.Com.	-	67.86 %
III B.S.W.	-	94.12 %
III B.B.M.	-	54.55 %
III B.C.A.	-	46.75 %
M.S.W.	-	100 %

The crowning glory came in the form of I Rank in B.A. secured by Sr. Flora Menezes who epitomized consistency, hard work and application. She has made us proud and all the constituents of the College, compliment her on her rare achievement. I hope our students draw inspiration from Sr. Flora and conquer newer territories of academic brilliance.

PHYSICAL EDUCATION :

Quality academic education offered by the college is supplemented by the quality physical education to enable the students to form an integrated personality. Sports achievements matches the academic achievements of the college. Sports and games are a tradition, a religion so to say of the campus. It is a matter of great gratification that our sports persons have held the flag of Philomena aloft by winning medals and laurels at different levels of competitions. The epithet of 'Sports Power' which the college has earned from the nascent years of its establishment has remained unshaken. Let the spirit continue unending.

PHYSICAL EDUCATION :

As the tradition, our college has put up a great show in the field of sports and games. On the basis of the superlative performance at various competitions, the following sports persons of our college secured berths in the Mangalore University teams to represent it at the inter-varsity Competition.

CONCLUSION :

Ladies and Gentlemen, I have placed before you a brief account of the activities in the campus. It only scratches the surface. There is much more to the campus life than what I have presented, for, quality education is the quintessential part of our unique functioning adding vivacity and fervor to student life. We believe that great changes in the destiny of mankind begin in the minds of young knowledge seekers. Accordingly we impart education for professional quality which is built on learning to know, learning to do, learning to live together, learning to be international with responsibility towards many cultures, environments and skilled intensity.

In our efforts we receive the sublime support from the caring Management, responsive parents Teachers Association and reciprocating Alumni Association. The performance of our students in various fields is spectacular and soothing. May the good work done in the past by the collusive efforts of the stakeholders be a perennial spring in the days and years ahead. May the glorious Philo culture be eternal.

I take this opportunity to express my gratitude to the Management, the staff, the PTA, the Alumni, the public and my dear students for all the support, help and participation.

Wishing all of you a great day. I retire.

Thank you.
