## St. Philomena - The College

From time immemorial, education has been a means of position and authority, a source of power and pelf and an instrument of empowerment. Tradition has it that an educated person is a leading lamp of the society. In all the ages and at all the stages of human civilization, education enjoyed a pride of place.

The contribution of Missionaries to the field of education is immense. St. Philomena College, came into being in 1958, thanks to the efforts of Msgr. Antony Patrao, who chose the field of education to serve the society. Crossing the hurdles one after the other, the College left behind several milestones and has proved its useful existence for half a century.

### Vision

To be a premier Institution for Higher Education, constantly in service to the Society in the field of education and welfare.

### Mission

To educate and train the young knowledge seekers for their holistic development to make effective contribution to the society.

### Objectives

- To provide opportunities for Higher Education to the young knowledge seekers.
- To prepare the students optimise the various social resources for sustainable growth and development.
- To sensitise the students about the social needs and problems.
- To provide guidance and support for the all-round development of personality of the students.
- To help the students accomplish their Career Opportunities.

### Management

St Philomena College is managed by the Catholic Board of Education (CBE) of the Diocese of Mangalore which is registered under the Societies Registration Act of 1860.
