Founder

Msgr Antony Patrao

Since the dawn of human civilization education has been considered an agent of change, a growth driver and a means of empowerment. The importance of education stems from its contribution to personality development, human capital formation and good citizenry. The knowledge and skill acquired by the young generation through the process of education has proved to be a catalyst for nation building activities.

Puttur, until the 1950s was an unheralded place in the coastal Karnataka region. As providence would have it Fr Antony Patrao came down to Puttur to minister the religious and spiritual needs of the community. Serving the community he noticed the conspicuous absence of a College to impart Higher Education around the region. The visionary in him prompted Fr Patrao to lead a bandwagon of well meaning education enthusiasts to establish a College. The tireless efforts of Fr Patrao and his associates paid off in the form of St Philomena College, which came into being in 1958. The College under his care began to muster strength after strength before it became full fledged. The insistence on discipline and performance made it a house hold name in Karnataka and neighboring states.

Visionaries in the past have recognized this dominant role of education and have done every thing within their command to propagate education. The role of Christian missionaries in this regard has been pivotal.

04. Introduction

Since the dawn of human civilization education has been considered an agent of change, a growth driver and a means of empowerment. The importance of education stems from its contribution to personality development, human capital formation and good citizenry. The knowledge and skill acquired by the young generation through the process of education has proved to be a catalyst for nation building activities.

St Philomena College was founded in 1958 by Fr Antony Patrao, a missionary, who conscientiously believed that education was the best means of empowerment. His conviction that the religious, spiritual, social and economic interest of the students could be best served through education made this region an educational hub. Even in the nascent stages of its growth the College showed all the signs of becoming a centre of excellence. A fullfledged centre of excellence is yet to be realized, but efforts towards this end have not ceased.

Affiliated to Mangalore University and recognized by the UGC under 2(f) and 12B, the Institution does attempt to treat the primary stakeholders in six UG programmes and seven PG programmes to a rewarding educational experience. On the basis of the record of growth in student enrollment, physical infrastructure and student achievements, the NAAC re-accredited the Institution at 'A' grade with a CGPA of 3.19 on a four point scale in the III cycle.

Be a premier Institution for Higher Education, constantly in service for the welfare of the Society.

11. ABOUT CREDIT BASED SEMESTER SCHEME

11.1 Salient Features of Credit Based Semester Scheme (CBSS) :

Each Course shall carry certain number of Credits. Credits normally represent the weightage of a Course and are a function of teaching, learning and evaluation strategies such as number of Contact Hours, the Course Content, Teaching Methodology, Learning Expectations, Maximum Marks etc. In the proposed Programmes in general, 2 hours of instructions per week in a Semester is assigned one Credit. In terms of evaluation, one Credit is equivalent to 50 marks in a Semester. On this basis, a Three Year Degree Programme will have a maximum of 100 Credits. The other features of the Credit Based Semester Scheme are :

- a) The Degree Programmes are structured on Semester basis.

- b) The relative importance of Subjects of Study and activities are quantified in terms of Credits and also their overall relative importance.
- c) The Subjects of Study include Foundation Courses, General Studies and Inter Disciplinary Subjects.
- d) The Programme permits horizontal mobility in Course selections.
- e) The students are required to take part in Co-curricular and extra-curricular activities and their participation is compulsory as a part of the Credit Based System.
- f) The curricula and question papers are unitized.
- g) The declaration of result is based on the aggregate percentage of marks obtained as well as on Grade Point Average earned.

11.2 Duration of the Programmes :

The duration of Bachelor Degree programmes shall extend over six semesters (three academic years) of 16 weeks each.

11.3 Course Pattern and Scheme of Examinations :

The details of Course Patterns and the Schemes of examinations of the different Degree programmes are:

T - Theory, P - Practical, CC - Co-Curricular, EC - Extra Curricular, FC - Foundation Course, GS - General Studies, IS - Inter Disciplinary Subject.

Declaration of Class on the basis of Percentage of Aggregate Marks

- First Class with Distinction 70% & above
- First Class 60% & above but less than 70%
- High Second Class 55% & above but less than 60%

- Second Class 50% & above but less than 55%
- Pass Class 35% & above but less than 50%

Each semester result shall also be declared in terms of grades. An eight point grading system which is based on the actual absolute marks scored and alpha-sign grade as described below shall be adopted.

RANGE OF MARKS

% Marks	<35	35<50	50<55	55<60	60<70	70<80	80<90	90<100
Alpha-Sign	D	C	B	B+	A	A+	A++	O
Grade Point	2	3	4	5	6	7	8	9

The Semester Grade Point Average shall be computed by dividing the sum of the Grade Point Weights (GPW) of all the subjects of study by the maximum credits for the semester. The Grade Point Weights are in turn calculated as the product of the grade points earned in the subject and the credits assigned to that subject.

Example:

Subject	L1	L2	01	02	03	FC	CC&EC	Total
Max. Marks	100	100	150	150	150	100	50	800
Marks Obtained	67	78	118	125	136	85	40	649
Grade Point (GP)	6	7	7	8	9	8	8	-
Credits	2	2	3	3	3	2	1	16
GP Weights	12	14	21	24	27	16	8	122

Semester Aggregate Marks: $649 / 800 = 81.1\%$

Semester Grade Point

Average:

$$\frac{\text{Total Grade Point Weights}}{\text{Maximum Credits for the Semester}} \\ = 122 / 16 = 7.625$$

Semester Alpha Sign Grade: A++

11.10 **Rejection of Results:**

- A candidate may be permitted to reject the result of the whole examination of any semester. Rejection of result paper-wise / subject wise shall not be permitted. A candidate who has rejected the result shall appear for the immediately following regular examination.
- The rejection shall be exercised only once in each semester and the rejection once exercised cannot be revoked.
- Application for rejection along with the payment of the prescribed fee shall be submitted to the Registrar (Evaluation) through the College of study together with the original marks sheet within 30 days from the date of publication of the result.
- A candidate who rejects the result is eligible for only class and not for ranking.

11.11 **Medium of Instruction:**

The medium of instruction is English. However, the University permits the students to write the Semester Exams in Kannada in select subject discipline.
