Welcome to SPC

St Philomena College, Puttur is affiliated to Mangalore University and is managed by the Catholic Board of Education, Mangalore. It was founded in 1958 with an objective of educationally empowering the people of this region. Since its inception, the College has lived up to the societal expectations, turning out consistent and appreciable results in academic and non-academic fields. The enrollment of students from faraway places is a testimony to the vibrant functioning of the College. The College is located around 300 kilometres west of Bangalore, 30 kilometres east of the Karnataka-Kerala border, 85 kilometres north of Mercara, and 50 kilometres south of Mangalore. It is well connected by road and railway facilities.

Msgr Antony Patrao

Founder

MANAGEMENT :

The College is managed by the Catholic Board of Education, Mangalore. The CBE has under its care 11 Degree Colleges, 16 Pre-University Colleges, 66 High Schools, 165 Primary Schools and 1 Technical Institute. Most Rev. Dr Peter Paul Saldanha the Bishop, Diocese of Mangalore is the President of CBE.

Most Rev. Dr Peter Paul Saldanha
President, Catholic Board of Education

VISION :

Be a premier Institution for Higher Education, constantly in service for the welfare of the Society.

MISSION :

To facilitate the holistic development of the youngsters through education and training thereby contribute to the socio-economic development of the society.

OBJECTIVES:

- To provide guidance and support for the students to excel
- To sensitize the students about the Social needs and problems
- To help the students accomplish their career opportunities
- To prepare the students in nation building activities
- To promote good citizenry among the students

Since the dawn of human civilization education has been considered an agent of change, a growth driver and a means of empowerment. The importance of education stems from its contribution to personality development, human capital formation and good citizenry. The knowledge and skill acquired by the young generation through the process of education has proved to be a catalyst for nation building activities.

Visionaries in the past have recognized this dominant role of education and have done every thing within their command to propagate education. The role of Christian missionaries in this regard has been pivotal.

Puttur, until the 1950s was an unheralded place in the coastal Karnataka region. As providence would have it Fr Antony Patrao came down to Puttur to minister the religious and spiritual needs of the community. Serving the community he noticed the conspicuous absence of a College to impart Higher Education around the region. The visionary in him prompted Fr Patrao to lead a bandwagon of well meaning education enthusiasts to establish a College. The tireless efforts of Fr Patrao and his associates paid off in the form of St Philomena College, which came into being in 1958. The College under his care began to muster strength after strength before it became full fledged. The insistence on discipline

and performance made it a house hold name in Karnataka and neighboring states.

Medium of Instruction

The medium of instruction is English. However, the University permits the students to write the Semester Exams in Kannada in selected subject disciplines.

Attendance

The Mangalore University stipulates that a student who has put in less than 75% of attendance in all the subjects of study will not be eligible to write the Semester Examinations. Even if the shortage of attendance is in one subject the student will forgo all the examinations of the Semester. To become eligible he/she will have to repeat the semester.

HIGHLIGHTS OF NEW EDUCATION POLICY (NEP)

- Each degree program carries a certain number of Credits.
- Credits represent the weightage of a course and are a function of teaching, learning and evaluation strategies.
- 2 hours of instruction per week in a Semester carries 1 Credit.
- 1 Credit is equivalent to 50 marks.
- A three year degree program will have a maximum of 100 Credits or 104 credits.
- The degree programs are structured on Semester basis
- A part from the mandatory subjects of study students at different levels will study foundation courses, general studies and inter-disciplinary subjects along with electives
- Participation of students in co-curricular and extra-curricular activities is compulsory as these are a part of the Credit Based scheme.

The College makes every effort to impart quality higher education. For this purpose the College has a sprawling Campus measuring 27 acres of land with a veneer of greenery spread all around creating a rich academic ambience, adequate, spacious and ventilated class rooms, qualified, efficient and committed faculty, a state-of-the-art Computer Lab with 100 systems and Internet facility for the staff and students; separate laboratories for Physics, Chemistry, Botany and Zoology, a good Library with latest books, periodicals, newspapers, OPAC and Internet facility, enriched coaching, Central Computing Network Resource Center, Smart Halls, Lady Students a 'KSOU' study center.

STAFF

The College on its staff has competent and qualified teachers appointed on regular basis. They render dedicated service for the good of the student community and of the Institution. Their commitment finds expression in the consistently good academic track record of the Institution. The full-fledged College office is always at the service of the student body.

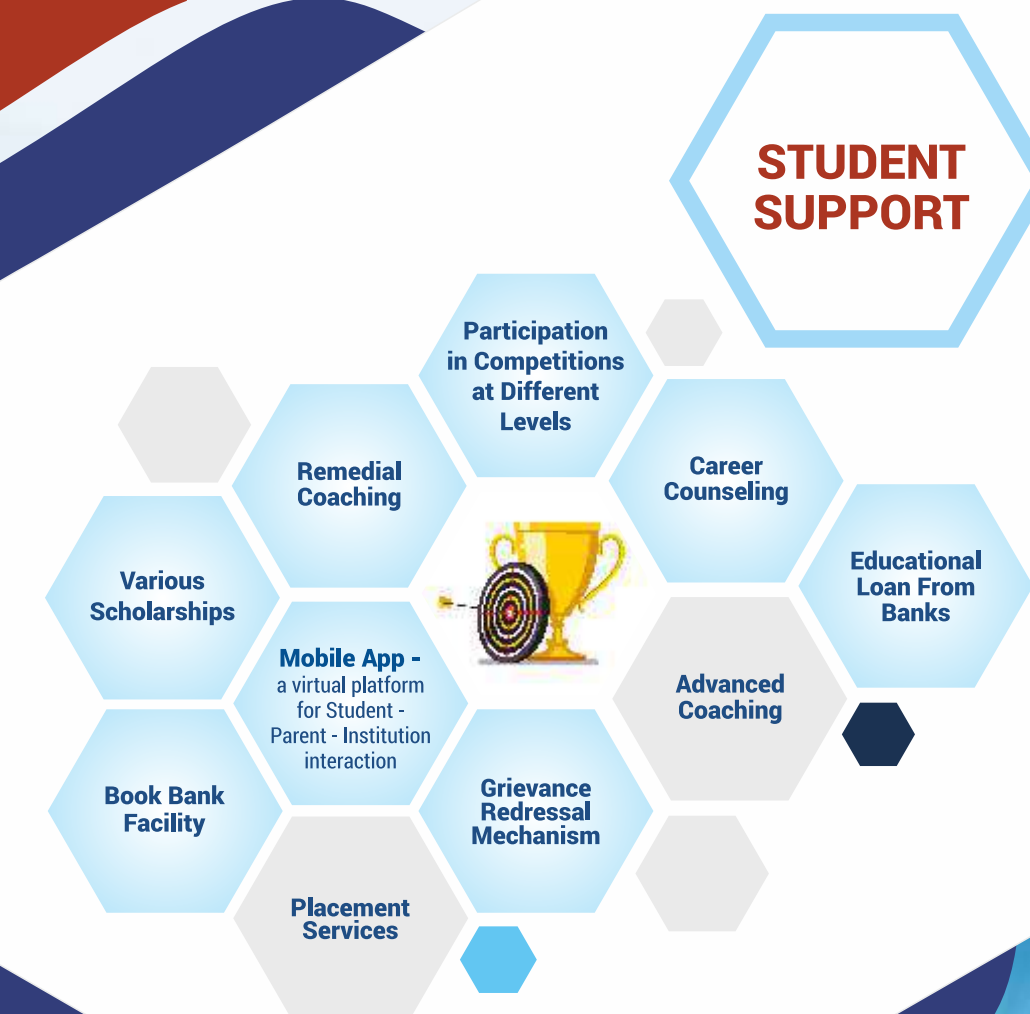

ADDITIONAL FACILITIES

Excellent Sports Infrastructure with 400 Mtrs track, separate playgrounds for Hockey and Football, Multi Gym and indoor-games facilities help the students promote all-round development. Students are also encouraged to participate in extra-curricular activities.

SCHOLARSHIPS

The Institution has evolved a good student support system where the needy and meritorious students are provided with access to various scholarships, made available by the Central Govt., the State Govt. and the Private Institutions / Agencies. Eligible Students are also provided with the Mid-day meal facility.
